A- Project Team Info – Team Updates

Team Updates

Changes in Team Members

There are **no changes** in the team composition since Deliverable 1. The team continues to consist of the same three members:

- Ali Bin Salman
- Muhammad Rohaan
- Muhammad Atyab

Updated Roles and Responsibilities

There are **no changes** in the roles and responsibilities assigned during Deliverable 1. Each team member continues to perform their designated roles as follows:

- **Ali Bin Salman** – Project Manager, Requirement Analyst, Developer
- **Muhammad Rohaan** – Developer, Scrum Master, Architect
- **Muhammad Atyab** – Tester, UI Designer, Developer

All members continue to contribute collaboratively to development, testing, and documentation activities.

Confirmation of Team Lead

The team confirms that **Ali Bin Salman** continues to serve as the **Team Lead** for the project.

Team Agreement Status

The team agreement established in Deliverable 1 remains **fully active and unchanged**.

There have been **no revisions** to:

- Communication methods

- Communication response times
- Meeting schedules and attendance policies
- Meeting procedures and preparation
- Version control practices
- Work division strategy
- Assignment submission process
- Contingency planning

All team members continue to adhere to the previously defined agreement to ensure smooth collaboration and successful project execution.
